GOVERNMENT OF MADRAS

PUBLIC (SERVICES) DEPARTMENT

G.O. No. 2810, 9th September 1947.

Public Services - Provincial and Subordinate Services - Recruitment of war service candidates to vacancies arising on or after 1st April 1947 - Age concessions, Procedure, etc. - Instructions issued.

O R D E R:

Under G.O.No.839, Public (Services), dated 5th April 1946, as modified by G.O.No.821, Public (Services), dated 15th March 1947, 66-2/3 per cent of all substantive vacancies and certain kinds of temporary vacancies in Provincial and Subordinate Services arising up to 31st March 1947 and which should be filled by direct recruitment should be reserved for candidates who have rendered war service. The Government have had under consideration the question whether any vacancies arising after 31st March 1947 should be reserved for such candidates. After careful consideration, they have decided that the policy of reserving vacancies for war service candidates in all services (including posts of Nurses, Civil Assistant Surgeons and Sub-Assistant Surgeons (Men's Sections) and first class and second class Health Officers) need not be continued beyond 31st March 1947. Substantive vacancies filled under rule 3 (3) of the Madras Civil Services (War Service Personnel) Recruitment Rul Rules, 1941, should be adjusted against vacancies allotted to civilians which reference to paragraph 1 of G.O.No.821, Public (Services), dated 15th March 1947, and the deficiency, if any, should be made good by the reservation of substantive vacancies arising on or after 1st April 1947.

2. With a view to facilitate the appointment of war service candidates in vacancies (non-reserved) arising on or after 1st April 1947 and which should be filled by direct recruitment, His Excellency the Governor directs that those who desire to apply for such vacancies shall continue to enjoy the age concession allowed by rule 4(c) of the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941. The concession contemplated by the above rule will be available in the case of appointments to both technical and non-technical services and posts including posts of Civil Assistant Surgeons and Sub-Assistant Surgeons (Men's and Women's sections), first-class Health Officers and second-class Health Officers.

3. Under G.O.No.511, Public (Services), dated 1st March 1946, war service candidates seeking appointment to non-reserved vacancies are entitled to exemption from payment of fees.

4. To enable war service candidates (including those still serving with the Forces) to apply for non-reserved vacancies, the Madras Public Service Commision and other selecting authorities are requested to send copies of all advertisements inviting applications issued by them to the Government of India, Ministry of Defence (Army Branch); Central Employment Exchange, New Delhi; and Regional Employment Exchange, Madras, and all Collectors so that they may bring them to the notice of serving and demobilized services personnal. The advertisements should specifically state that the appointment of a person serving in the Forces selected for appointment is conditional upon his being released from the Forces to take up the appointment, that every effort will be made to secure his 'B' release and that where 'B' release cannot be secured, the next available man in the order of merit will be appointed. If a person serving in the Forces is selected for appointment, the appointing authority should apply through the proper channel to the Ministry of Defence of the Government of India for the candidate's 'B' release and in case the 'B' release is not obtained, the next available man in the order of merit should be appointed after taking action under rule 4(c) of the General Rules for Provincial and Subordinate
